

This is My Library

The Library2Go Bookmobile

Library2Go Route Schedule:

<https://www.rockislandlibrary.org/locations-hours/library2go>

Enter our Rolling Library!

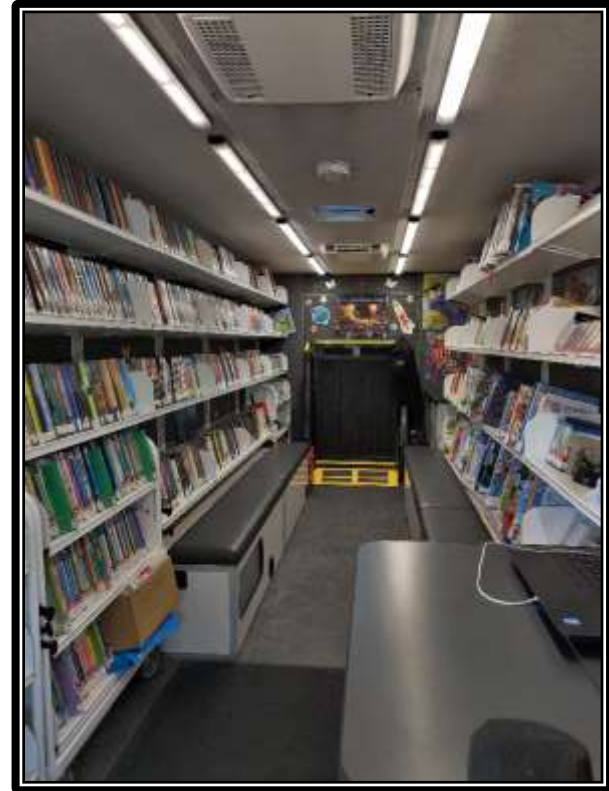

Hop on board!

Library2Go visits many sites around town, weather permitting, to bring library services to me. I can walk inside to browse books and other items, return items, or get a library card. I can also use the vehicle's WiFi signal to browse the internet.

If I need curbside service at my car, I can call **309-989-5450** when I arrive.

What Can I Do on the Library Bookmobile?

Check out the Library2Go collections

I can find a variety of items for multiple ages onboard the Library2Go. If there's something I especially want, I can use the library catalog to request items for pick-up on board.

Library2Go is Accessible

Need a Lift?

There are specific days and times for Library2Go routes and school stops. The library staff can provide me with a schedule. If I have issues with using stairs, there's a lift off the back of the bookmobile. I can let the bookmobile driver know to open the lift.
